Student Scene

This school year was one of long lines and much waiting. It was not unusual to find one's self waiting half an hour for a bus or shuffling along in a very slow line.

But students managed to relieve the tedium with much spirit and enthusiasm. Freshman Appreciation was very popular with the seniors at the beginning of the year. Kit Ledbetter's intramurals and Steve Huston's *The Daily Scum* were both amusing diversions during lunch. Occasionally we were excused early for keeping the campus clean. And of course the seniors float won for Homecoming.

Senior Class Strives to Be Different

The Senior Class of '76 has done many things to be remembered by. As timid Freshmen they showed that they had enthusiasm and spirit at the assemblies. In their Sophomore year that spirit really came through. It was then that the spirit stick was often thrown to the class of '76. As upper class juniors, their accomplishments began falling into place. They gave a memorable prom at Lion Country Safari and distributed charms to all who attended. As Seniors, their superiority was finally proven. They sponsored the very first Christmas formal at Brae-Olinda. Flowers with telegrams were sold prior to the dance and given out before vacation.

With graduation nearing and plans for the future being completed, the 1976 Seniors bid goodbye to Brae-Olinda with many happy memories. It is obvious that their spirit truly lives.

Juniors Show Future Promise

The class of 77 was led by a determined group this year. The President was Kelly Mayfield, Vice president, Debbie Farris, Secretary, Laura Shipkey, Treasurer, Cyndi Bonine and the Representative to Executive Council was Brenda Lloyd.

The Juniors began the year by sponsoring a successful pickle sale. They also operated the Junior concession stand at all home varsity football games.

The Junior class planned many other activities this year which helped them raise money for the Prom.

Working closely with the class officers, the Prom Committee successfully climaxed the year with the Junior Senior Prom which was held at Busch Gardens.

All in all, it was a memorable year for a very spirited class.

Junior class Officers: Rep. Brenda Lloyd, Treas. Cyndi Bonine, Sec. Laura Shipkey, V.P. Debbie Farris, Pres. Kelly Mayfield.

Sophomore Enthusiasm...It's Admired

The Sophomore class was enthusiastically busy with many fund-raising events, as in years past President Claudia Ceresa, Vice-President Cindy Zweber, Secretary Christi Hiner, Treasurer Patti Kitto, and Class Representative Lisa Petronella guided the Sophomore class in a successful car wash at the beginning of the year and in a candy sale in October. Other planned activities included sponsoring a dance during the winter. Their excitement and school spirit shown at pep rallies and assemblies really proved that spirit lives in the class of '78.

The Spirited Sophomore Class Officers this year were Claudia Ceresa, president, Cindy Zweber, vice president, Christi Hiner, secretary and Patti Kitto, treasurer.

Class of '79 Excels...

The class of '79 greeted Freshmen Orientation with enthusiasm. They showed spirit early in the year and carried that spirit with them throughout the year.

Led by Denise Hanggie, president, Terry Johnston, Vice-president, Courtney Affeldt, secretary, and Elaine Hawe, treasurer, the freshmen class started the year off with a car wash, followed by hard work on an excellent float for Homecoming. Other events, including various sales and a second car wash, showed that '75-'76 freshmen had what it takes to make a successful year.

Brea Olinda '75-'76

SEPTEMBER

The year began quite traditionally with the Class of '76 easily accepting their new found freedom of being seniors, and the Girls League making even the freshmen feel welcome with "Hello Week" and the "Hello Dance." Many clubs reunited, the Home Ec. Club began with a mother daughter tea, and the Speech Club held a pot luck dinner. September also marked the beginning of the Football and Water Polo seasons.

NOVEMBER

GAA's "Hog Hollerin' Halabalu" started off November. Next came Homecoming Week sponsored by Girls League. The daily activities kept everybody occupied at lunch with the pregame show climaxed by the seniors winning first prize in the float competition. Debby Smith was crowned 1975 Homecoming Queen. The Cross Country team had their first meet of the year. "The Emperor's New Clothes" was presented by B.O.H.S. drama students to elementary school children who turned out in scores to see the annual children's play. Sports picked up when our Water Polo team had some exciting C.I.F. playoff games, while GAA Hockey got underway with their first contest. Girls League and Boys Federation sponsored individual assemblies, the girls saw a fashion show and Randy Jones spoke to the boys.

DECEMBER

Basketball and Wrestling teams began their respective league action in December. Students had to make careful subject choices during Spring Registration. The Speech Club and the English department sponsored "Free Speech Week" which encouraged all students to speak formally before an audience. In the final speech run-offs Lisa Saloveish and Diane Pacheco took first place in their respective categories. The Choir put on their annual Christmas show, and many students made contributions to the Christmas fund for needy children in Brea. The seniors worked very hard to carry out the theme on their "Candlelit Christmas" formal which was enjoyed by many. During vacation, forty of our skiing students made an exciting, six day trip to Utah.

OCTOBER

Many students began October a little shaken after attending the ASB assembly in which a "Russian" spoke. Lunches were brightened by a band in the boys gym and also by intramurals which got everyone involved in an attempt to break a world record. Freshmen and seniors went through their annual testing sessions, and "Back to School Night" gave parents a chance to visit classes. Later in the month girls were busy landing a date for the Sadie Hawkins dance, and Big and Little Sisters reunited for a Girls League skating party. GAA Volleyball and Tennis teams were well into their seasons by this time.

JANUARY

With the beginning of 1976, our Bicentennial year, students came back to school refreshed from vacation and ready to resume their normal routines. Speech club participated in a contest at Cypress High School and many members received awards. "The Sharp Show," an A.S.B. hypnotist assembly, entertained and amazed the audience. GAA basketball began its season and the swimmers had their first meet. Students had time off late in January with schedule confirmation day and a semester break holiday.

FEBRUARY

MARCH

Most students spent the earlier part of the month getting accustomed to their new classes. The Modern Western Dance was presented by the drama department and received high praise from all who attended. February was a very busy month for some because of the celebration of the Brea Olinda High School's 100th birthday. The Future Farmers of B.O.H.S. had many activities in honor of FFA Week. There was a basketball game in which the seniors defeated the boys' basketball team. Junior and senior girls signed up for the Powder Puff game, and the boys practiced for the Powder Puff game. At the end of the month, a party was put on the school grounds called "Faculty Follies."

The first week began the month with a very busy day in many activities. The week began with a dance company performing in an assembly, and when the Faculty Faculty Night finally arrived, everyone had a great time. The faculty tried to win a prize, but the competition was very stiff. The many activities during Spring Week kept everyone very busy and kept them entertained. The Modern Western Dance was presented by the drama department and received high praise from all who attended. The Powder Puff game was a hard battle in the Powder Puff game.

APRIL

Many B.O.H.S. teams were in the midst of their seasons during April. Baseball and Track had already been active for some time, and GAA badminton, swimming, and track held some meets and games. Humanities Week kept our humanity departments busy, and many parents turned out for Public School Night. Students, teachers, and administrators enjoyed the time off during spring vacation. In preparation for the coming year, class officers were elected. A sports extravaganza was held to establish the athletic superstars of Brea. The magical night of the prom arrived, and Busch Gardens proved to be a fantastic location for a very romantic evening.

MAY

JUNE

June was a month in which many people received recognition for their achievements at the Awards Night assembly. A Jazz Hour was presented by the Modern Dancers, and the Pop Concert, put on by our choral department, was an entertaining event. The year came to a close with tears of joy and sadness accompanying Baccalaureate, Commencement, and finally the Senior All Night Party.

The Spirit Lives

Special Days

The '75 '76 year was highlighted by a variety of special days. Many students followed tradition by donning costumes on Halloween. As the Sadie neared, everyone dressed up as hillbillies on Hillbilly Day. During the week preceeding Homecoming, carnations were sent through Girls' League. A new tradition began when roses were distributed by the Senior class in honor of the first Christmas Formal, "A Candelit Christmas." This year was packed with fun filled special days and loads of spirit!

- 1 Cheryl Erch, Teresa Free, and Vera Dubic get ready to mix their brew
- 2 Darlene Snyder enjoys giving out carnations
- 3 An unexpected surprise for Elaine Sloan
- 4 "I'm here for you" says Kim Kunde
- 5 Roses brighten up Karen Petersen's day
- 6 Crystal Smith, Mara Marmorstein, and Julie Beck join the chorus line

- 1 Cherie Vaughan wonders who is her secret admirer
- 2 Kelly Jones and Denise Lanson show off their Hilbilly spirit by their matching way of dressing
- 3 Freshman Jim Crilley gets in with the days activities
- 4 Nancy Macias portrays the all time favorite Groucho
- 5 Rita Olsen goes back to her childhood days
- 6 Cathy Corne excitedly awaits reading the concealed message inside

Sadie and Homecoming Stand Out!

The GAA sponsored Sadie Hawkins dance this year was a fun filled night outside behind the Auditorium. The evening's theme was "Hog Hollerin' Hallibulu," and music by "Mainstreet" accompanied that theme. The activities featured were a burping contest and a hog callin' contest. Ms. Ott really showed everyone how to call a pig! Frank Mueller and Katie Wiegand were Lil Abner and Daisy Mae for the second year in a row. Everyone agreed that the Sadie was a night to remember.

Homecoming provided the occasion for another fall dance. Dress was semi formal to compliment the presence of Queen Debby Smith and her court. Everyone enjoyed dancing to the music of "Red Mountain band." Like most dances this year, this was held in the "Big Gym" while the other building was being remodeled for earthquake safety.

1. Happily smiling, Nancy LehrBass and Tim Rhine prove that they are having a great time.
2. Ken Dardina, Laura Griley, Sandra English and her date take a seat for awhile.
3. Rose Mueller and Bill Selvig are a genuine Sadie couple.
4. Celinda Randall and Aaron Wyall take their picture for future memories.
5. Lori Sawyer shows Mike Lammers how to jive.
6. Doug Feldman and Tracy Rose rock the night away.

Christmas Formal Is a Success

This year, the 1976 Seniors sponsored the very first Christmas formal, held on December 13, 1975 at Fullerton College student lounge. The dance proved to be worth its while, and the many couples who attended had a wonderful time.

Santa Claus happily gave carnations to the ladies, and candy to the men while receiving everyone's Christmas wishes.

All will agree that this new tradition is one that will be remembered forever.

- 1 "Merry Christmas"
- 2 Michele Trapasso shows everyone how to do it
- 3 Cam Tinder and Terr Johnston take a short break from the night's activities
- 4 Couples Linda Shipkey and Todd Harreguy, Judy Currie and Jim Gwyn decide to slow it down
- 5 Kelly McKenzie puts on his act for the evening
- 6 Laura Cridley and Ken Dandrea wait patiently for a slow dance

Debby Wins Crown

A new flavor was added to the traditional spirit of Homecoming. This year, not only did the Senior Class select the five Homecoming princesses, they also made the final decision on which girl was to be honored as queen.

With much excitement and anticipation, Julie Beck, Linda Hanley, Cindy Palmer, Marilee Roberts and Debby Smith were chosen as the 1975 Homecoming Court. The girls participated in many activities with their escorts throughout Homecoming Week. Among these were a sundae eating contest, a make-up contest, a luncheon assembly, and the Senior Leaders' picture guessing contest.

The highlight of the pre-game activities on Friday, November 7, was the gala display of floats made by the individual classes. The 1976 seniors won first prize for their exquisite Liberty Bell.

As in years past, cheerleaders past and present rallied behind the Wildcat team.

At half time, 1974 Homecoming Queen Lisa Hassing handed down her crown to a very surprised and pleased Debby Smith.

Afterwards, the music of Red Mountain filled everyone's ears as they arrived at the semi-formal Homecoming Dance sponsored by the Girls' League.

A new spirit was brought into the traditional children's play this year. It was the spirit of music. The Drama department put on a musical production of 'The Emperor's New Clothes'. The main characters in this successful endeavor were Kevin Porterfield Emperor, Gen Walker Prince, Bob Lane Dudley Ray Harder Lord Old and Sam Newland Lord Mal. Other important people were Cindy Palmer, Donna Berryhill and Kim Johnston. With the fine direction of Mrs. Janet K. L. and Mr. John Zoecker, it was possible for everyone who watched the play to enjoy it.

With the fine direction of Mr. Martin Tishbierek and with Mrs. Ruth Hall accompanying at the piano, this year's Concert was a merry one. "Starry, Starry Night" Shines Memorably

A lovely and romantic evening at the Candlewood Country Club March 6, 1976, was highlighted by the crowning of both the Freshman couple, Kelly Drake and Cliff Harbor, and the Junior couple, Cindy Trager and Brett Parry, as king and queen.

Leading up to the night of the dance was a complete variety of activities. Watching the Coed couples dress up as historical figures, paint windows, and ride tricycles through an obstacle course kept people very entertained. Girls' League took great pride in the success of "Starry, Starry Night."

1. The Coed Couples gather together in their patriotic garb.
2. Brett Parry pushes Cindy Trager to victory.
3. Kelly Drake works to create an accurate picture of Kelly Smith.
4. Cedy Morse and Karen Critzer hope their paintings will win first place.
5. Dawn Butler amazes people at the assembly during Coed Week.
6. Dave Noverro finds Kelly Smith's painting very humorous.
7. Kelly Smith slips quickly through the obstacle.

Once Again...It's the Fifties!

Because this was the fifth annual 50's Day Celebration, you might think our student body would be tired of the idea. Not so on Friday March 26. Cuffed jeans, greased back hair, red lipstick, and the humming of sh bop sh bop filled our campus. All of the old fashioned rowdiness was in anticipation of the Powder Pull Game, and the 50's Dance that night. Music provided by "Rocket" kept nostalgia buffs and those who were looking for a good time happy. The 50's Day celebration again proved to be one of the "coolest" events of the year.

Brea Janda's own street gang, Scott Lamming, Greg Betz, Bill Hobbs and Steve Jaromsek are lined up. Scott Jaromsek tries to explain to Lori Barber why he doesn't dress up for 50's Day.

Margo Trapasso, Bonnie Brown and Fern Whittlesey try to recapture the look of the 50's.

Crissie Fiore sells candy to Saunie Mender dressed for the occasion. Tracy Galager crowns Pau Johnson king as June Beck, Steve Black, Kevin Ryan and Steve Mullins watch.

Seniors 14-Juniors 8

The Junior-Senior Powder Puff Game was quite an exciting event. The Seniors gained superiority early in the game. The first two touchdowns were scored by Sherrie Sheffield. The Juniors' only score came late in the second quarter. The Seniors dominated the second half, holding the Juniors scoreless. The final score was Seniors 14, Juniors 8. At half time, the Powder Puff court paraded around the track. The ceremonies ended with the crowning of Paul Johnson as king. Paul began his reign seated on a porcelain throne.

Expressions From Within

The Modern Dance Production Class is an advanced offering in the physical education program for students skilled in dance and interested in expanding their dance experience.

During the spring semester, the dancers shared their experiences with the school and the community by presenting a dance concert entitled, "Expressions from Within" This featured many works of self expression choreographed completely by the dancers

Under the fine direction of Carol Finn, the group also contributed greatly to Humanities Week and performed in a Jazz Studio Hour in June.

- 1 The 1976 Dance Concert worships Lori Barber, Heidi Neal,
Linda Hanley, and Dawn Butler.
- 2 In jest, a dance designed to promote laughter.

SPIRIT Shown in ASB Assemblies

The 1975-76 ASB assemblies proved to be successfully entertaining and enjoyable to watch. The most controversial assembly this year was an actor who portrayed George Vlekovsky, a Russian professor. Over ninety percent of the students were fooled by his excellent act.

There was also a variety of bands such as Red Mountain, Valhala, and Papa Du Run Run, who delighted the crowds with their music.

The hypnotist assembly encouraged more student involvement than any other. Mrs. George Sharp effectively demonstrated through the participation of students how amusing "suggestion" can be.

A.S.B. Solves Problems

The 1975-76 Executive Council members concentrated their interests on serving the students' needs. Besides preserving old and new traditions alike, the student government involved itself with current political problems of education. Coordinating efforts with the California Association of Student Councils (CASC), the administration, and the school board, many students dedicated themselves to searching out satisfactory solutions. An array of social activities was also presented, including dances, spirit week, and entertaining assemblies. The student body officers and commissioners, working largely behind the scenes strove to ensure a smooth running school year.

Girls' League Involves All

Every girl is a part of Girls' League, but there are only thirteen girls who are carefully chosen to represent all of the girls at Brea Olinda

This year the Girls' League Cabinet worked very hard in planning and organizing many exciting activities, which all began with the Big and Little Sister Country Fair. Next came Hello Week topped off by the Hello dance.

Homecoming was a success, including all of the week's activities, the pre-game and half-time ceremonies, and the after game dance.

Always on the go, these girls held many sales, participated in welfare projects, and sponsored assemblies which were very enjoyable for all.

The Cabinet worked together diligently and planned the very successful Co-ed Dance held on March 6 at Candlewood Country Club.

The newly elected officers were announced at the annual Mother Daughter Social in May, bringing the year to a successful close.

- 1 Jenna Bradford found it interesting to go to the home of her father
- 2 Mary von Erbach and Sue Place wait their turn to speak at the first
- 3 Girls League assembly

Mary Lynn is Bicentennial Year Girl

Through her involvement in classes, clubs, and activities during her four years at Brea-Olinda, Mary Lynn Gresch earned the respect and affection of her fellow Wildcats and won 1976 Girl of the Year honors.

Her special area of interest and contribution has been the Girls League. She served an outstanding term this year as its president. When a sophomore, she served on the group's cabinet as publicity chairman, and last year she was activities chairman for the girls of Brea-Olinda.

This year she was also active in Speech Club and helped to ensure the success of their Free Speech

Week project. In past years she was involved in drama and Girls' Athletic Association, and she won a speech award as a freshman. The senior girls this year elected her D.A.R. "Good Citizen."

Mary Lynn is interested in studying political science and law, and she had a brief experience in these arts last summer in Sacramento as a representative to Girls State. Her chances for success in her studies are good — she became a member of National Honor Society last year and maintains a solid grade point average.

"A really neat girl," as one student recently said of her, Mary Lynn has been perceptive and thoughtful of other students' problems and interests but is a person also of independence and integrity — truly the Girl of 1976.

1. Girl of the Year Mary Lynn Gresch enjoys a quiet personal moment in Brea's out-of-doors.
2. In a rare moment of relaxing fun, Mary Lynn rocks out with a friend at an after game dance.
3. A lot of details had to be kept in order for the success of Girls League.
4. Mary Lynn with Lynn Carle, Linda Hanley and others enjoy a Girls League Assembly.

Pep Squad 1975-76

The spirit lives in the hearts of Brea Olinda's cheerleaders. Under the direction of Adviser Boots Ott, the 1975-76 Pep Squad promoted much excitement and enthusiasm with their talents, while also initiating fund raising activities.

Much time was spent preparing the humorous pep assemblies and perfecting routines. Despite the hard work involved, the dedication these girls boasted for the Wildcat teams knew no limit.

Working closely with Carole Hargett, Pep Squad president Stacy Chappuis, vice president, and Julie Beck, secretary-treasurer, the squad proved that Brea Olinda's campus was packed with spirit in the year 1976.

This year Brea Olinda had banner girls for the first time. They were Mary Boka, Debbie Luesse, Tamara Stanley and Chris Lamb.

Majorettes this year were a very spirited group also. They were captain Doreen Neison with Debbie Evans and Patti Kitto, and soloist Cindy Pryor who has earned national acclaim for her phenomenal performances.

Strike up the Band

Instrumental music played an important part in our Bicentennial year. Under the skillful direction of Mr. Don Paul, the Brea Olinda Marching Band performed at all home football and basketball games, marched in parades throughout Orange County, and presented three band concerts for the enjoyment of the community.

The 1976 Brea Olinda Marching Band offered lively and pleasurable entertainment that will always be remembered.

Gusher Staff Views '76 Spirit

This year of the Bicentennial has brought many changes to the Brea Olinda campus. There are new teachers, new classes, new buildings, and a new spirit.

As is the job of any yearbook staff, the Gusher staff strove to create a book which was truly representative of the people and events that made this year special. Photographers Joan McCarthy, Nancy Fyler, and Lisa Salovesh worked throughout the year to capture the feeling of the school in pictures. Laura Crilley drew much of the artwork in the book, while Kelli Ryan reviewed the copy. Financial transactions were recorded by Becki Winfrey, and Mara Marmorstein organized the advertising. Senior staff members included Nancy Bitner, Sarah Brotherton, Julie Bryden, Sandra English, Terry Goodell, Jan Hymel, Denise Rizzuto, and Mary Rosell. As next year's staff members, the juniors gained experience and became familiar with the problems involved in putting a yearbook together. They were Bonnie Brown, Vera Dukic, Jean Fanning, and Tami Galvin. Editor Win Smith and Assistant Editor Kim Johnston worked with the advice of Paton Marshall to tie the efforts of the staff together into this year's Gusher.

Staff Puts Wildcat to Bed

Ambition, news, creativity, deadlines, and involvement are what made up the 1975-76 Wildcat staff. The staff, headed by Adviser Dave Brown and Editor in Chief Eileen Grotefend, worked together to bring the student body a newspaper filled with a variety of news. The four-page edition came out every three weeks and was distributed by the fourteen staff members. Head of the finances was Glenda Retzlaff. Page editors were Tom Balogh, Elaine Brooks, Craig Callahan, and Mike Warren. Distribution Manager was Vivian Tamoush while Photographers were Lorree Tornberg and Robin Shreve. Reporters made up the rest of the staff. They were Nancie Bitner, Carolee Brooks, Denise Carper, Lisa James, Kelly Mayfield, and Tim Tarbell. The '75-76 Wildcat staff showed both traditional and school spirit by having many special editions with holiday stories and by being involved in many other school activities.

With Wildcat staffs displaying this kind of ambition and hard work, the spirit will truly live on.

The opportunity to learn more about the ways of farming aroused an exciting new interest in F.F.A. this year. Many members were kept very busy entering their livestock in fairs throughout the county.

This year the Brea Olinda Chapter hosted the Parliamentary Procedure, and once again they went to the Regionals.

With the help of all F.F.A. members and officers, the club concluded this year with the F.F.A. Banquet which was very successful.

The officers this year were President Mark Haag, Vice President Eva ne Pare, Secretary Lisa Manfred, Representative Michelle Bartlett, Treasurer Tina Anderson, Sentinel Mike Haag, and Chaplain Mary Kroh.

League Record 1-4
Overall Record 4-5

"They're the hardest working and best group of players I've coached." Those were the words of Varsity Football Coach Rudy Estrada reflecting on the Varsity football team. The small and courageous Wildcats were a strong opponent in almost every game but they came up short during key situations.

The team had a long, hard season, winning only one league game and losing four. In overall competition they compiled a 4-5 record.

In preleague action the squad showed their refined defense. Led by Fred Hogan, Alfonso Martinez, and Bill Selvig, the defense held El Toro scoreless in the opening game, but then fell to Lowell in the first home game. The loss failed to dampen their spirit however, and the team bounced back to beat Dana Hills and Laguna Beach.

Going into league, the team was confident they could accomplish their goal of winning the Orange League championship. The first game with cross town rival Sonora, however, turned out to be a disappointing 7-28 loss. Esperanza and Canyon edged out the Cats in the last minutes of the game, while El Dorado overpowered the Brea Wildcats early in the Homecoming contest. The team ended their season on a high note with a victory over Valencia.

Walt Wiegand and Jeff Johnson were standouts on offense. Mark Gary and Dave Roulette helped to establish a solid front line.

Since the squad was small, most of the players were forced to work in both the offensive and defensive positions. The smallness of the team provided for the spirit and unity which carried the team through the season.

The 1975-76 Sophomore football team had a disappointing year playing through the season without a win. The squad was hampered by injuries in almost every position and was unable to field a sound team.

Coached by Lynn Kennan and Jim McWilliams, the team wound up their season with a 0-9 record. Captains Jeff Cross, Rich Griffin, and Rick Schultz led the team through the tough competition.

Even with the season's frustrations, the squad is looking forward to a rigid off-season training period in preparation for the coming year.

The Freshmen football team compiled a hard won 4-3-1 record this year, with a 2-2 league record. This placed the squad in a second-place tie for the Orange League title.

Led by Dan Dubay, the team fought its way through the season by soaking up the hard blows that come with playing fairly even competition.

The squad, coached by Doug Bridgmen and Dennis Engies, ended their season with an eagerness toward next year's possibilities.

WATER POLO

Water polo is only four years old at Brea Olinda, yet the dedication of the players and the coaches produced a tri-championship this year. With a 15-5 record, the poloists swam on to win one of their two CIF games.

A strong defense along with great enthusiasm contributed to the season's success. Captain Randy Meehan, along with the coaching of Steve Johnston, led the team to a first place title in the Lowell tournament.

The Junior Varsity and Freshmen teams ended their seasons with records of 8-4 and 5-10, respectively.

With the many returning players and the strong water polo program, chances are good that next year could produce another successful season.

CROSS COUNTRY

Few people know what it is like to run ten miles every day. Few people yearn to discover what it is like. The Cross Country Team knows what it takes to perform such grueling tasks, a lot of spirit and dedication.

Most of the team's action took place in invitationals on Saturdays. As many as twenty-four high school teams from all over southern California competed in these invitationals, causing the emphasis to be placed on individual improvement.

Coaches Gordon Bayes and Wayne Bridge drilled the teams in preparation for league competition. Varsity Captain Bob Blanks led his squad to a fifth-place standing in league action. Sophomore Captain Louie Marron and Freshmen Captain Geoff Willis spurred their respective teams on to a third-place league standing.

The Cross Country staff is hoping for a larger turnout next year to ensure the addition of depth to their talent.

- 6 It does not take much imagination to see why Cross Country starts are called "Hamburger Starts."
- 7 Bob Blanks takes the last step to the chute.

Through training the runner constantly seeks to develop a physical and mental tolerance
courage and contempt toward fatigue which will enable him or her to persevere and
drive him or herself to an ever increased effort even in the face of excruciating agony

Spirited Cats Fight on

The Wildcat Basketball Team did not do as well as was expected this season. They finished with a fine 15-10 record, but just missed the playoffs.

The tone of the season changed, however, when the team opened the season by beating La Habra 74-72. The cagers won the consolation trophy in both the Cerritos and Troy Tournaments. The highlight of the season came when the Wildcats won their own tournament. This was the first time in seven years that Brea was able to keep the trophy at home.

One of the best games of the year was against Sonora, with the Wildcats coming out on top. Right after that win, the Cats hit a slump. They lost three straight and were never able to make up their lost ground.

They finished fourth in the league with a 4-6 record. Head Coach Gene Lloyd was a second year coach at B.O.H.S. His overall record at Brea is an impressive 35-18.

Dan Hanson, the outstanding member of the team, set a new single game scoring record with 42 points in the Glenn game. Dan also moved into second place on the B.O.H.S. all time scoring list.

Wildcat Cagers Prove

This team worked hard to represent their school and community. Even when their shooting was off, they played all other aspects of the game well. That's what Coach Gene Lloyd had to say about this 1975-76 Varsity Basketball team.

All the hard work started at the beginning of the summer, when the team practiced from eight to ten every morning. They played four nights a week in two different summer leagues.

Most of the players attended basketball camps during the summer. These camps were enjoyable to the players and helpful in improving their fundamentals.

They Have Character

In the fall, they conditioned for the beginning of the season by running and lifting weights

The team was ranked as high as fourth in the C.I.F. 2A division, and were also ranked fifth in Orange County

In league action, an early slump hurt the team's chances for a championship title, but they proved their character by fighting back. They came up just short of earning a play-off spot.

"Although we wish we could have continued into the playoffs, a whole lot of teams in C.I.F. wish they had 15 wins to their credit," remarked Coach Lloyd.

The varsity wrestling team had an excellent preseason this year. Outside of league action, the team participated in many tournaments. In the University Tournament the squad took second place, and in the Orange/Freeway League Tournament the team placed third. In Brea's own tournament, the Wildcats came in with second place honors. The squad ended up with a fine 17-0 pre-season mark.

When league play began, however, the team had trouble filling all weight classifications and had to forfeit as many as 24 points a match, but they still ended up with a decent 17-5 record.

The junior varsity team had a very good season also, coming in with a second place title in the Orange League. The squad placed first in many of their tournaments. They finished the season with a 20-2 record.

The soph-fresh squad finished with a 6-14 overall record.

G.A.A. . . . Achieving a Goal

Throughout the year GAA has provided the Student Body with a wide variety of activities and services. The Sadie Hawkins dance, the Father Daughter sports banquet, selling spirit ribbons, and the renowned Powder Puff game were just a few of the activities sponsored by GAA.

Leading the organization this year were President Saunie Meeder, Vice President Kim Johnston, Secretary Mary Beth Hopkins, and Treasurer Debbie Shamblin. The cabinet and the teams, through their dedication, developed a high regard not only for sportsmanship and the team, but for themselves.

VOLLEYBALL

All the girls experienced a feeling of teamwork and competition while learning to play together on the G.A.A. volleyball teams, even though their season was not a winning one. "Many new girls were just introduced to this sport, and were very inexperienced in playing competitively," said Coach Sharon Caperton, "but next year these same girls will be back, and we'll have a better season."

Basketball

This year's group of girls trying out for basketball was a big one as usual. Coaches Boots Ott and Sharen Caperton both had a hard time picking out girls, but after one week of busy practice it was obvious which of the girls were ready for tough games and a lot of teamwork. The varsity team, coached by Ms. Ott, had a good season this year while Ms. Caperton's J.V. team had a great one compared to last year. Varsity had the benefit of seven returning players, and J.V. had the benefit of five. This balanced out with all the new girls who made the teams. All the girls got acquainted really fast and had a lot of fun competing with other schools. The starting line up for Varsity consisted of Mary Beth Hopkins, Sheri Sheffield, Kim Johnston, Debbie Shamblin, and Maggie Kwast. J.V. consisted of Kelly Mayfield, Karla Lanthripe, Vera Dukir, Lisa Salovesh, and Debbie Farrell. Maureen Johnson and Courtney Affeldt also received credit.

ACADEMICS

Teacher of the Year Lesley Rangel

Lesley Rangel is best summed up in the word "beautiful". Anyone seeing her senses something very special about her, anyone knowing her confirms all beliefs. In the short one and one half years she has been here, she has made many friends. As a psychology teacher she has taught students a little more about life, love, and happiness.

Last year, she worked under Steve Johnston as assistant coach for the girls' swimteam. Her enthusiastic and excited approach made the team a success.

This year she continues to involve herself in school activities, taking an active part in school assemblies.

Brea Olinda is very fortunate to have a person of such character and intellect on the teaching staff. Her sunny smile brightens up a grim day, and makes life just a little bit easier for all who know her.

Special Classes

Brea-Olinda High School offers three very special classes: Alternative School, Continuation, and Educationally Handicapped.

Led by Lynn Kennan, Alternative School has given many students the chance to grow through individualized learning. Because of the "pressure free" atmosphere where learning is heightened, Alternative School has been a success and will continue to be so in the future.

Continuation is a three hour morning class where juniors and seniors can work toward graduation credits. All subjects are assigned on an individual basis, and at times up to ten subjects are taught in the classroom. Mrs. Coston and Mr. Engle head the class.

The Educationally Handicapped program is geared for students who need extra help in basic skills. Barbara Arcynski heads the program. Because of special requirements, enrollment is small, so individualized help is achieved.

Brenda Lloyd and Mr. Kennan read some amusing facts.

- 7 Mr. Engle helps Bill Garcia in the continuation program.
- 1 Mike Morada works on his studies.
- 4 Laura Carney checks over her alternative papers.
- 5 Under the EH program, Barbara Arcynski gives her students specialized instructions.
- 6 Mr. Nolan works with a student for heightened learning.

Administration

This year the administrators reflected a new spirit of encouragement and communication. They achieved a new relationship among themselves and the student body by becoming more involved in the student life at Brea.

The administration also provided an incentive for students to take more pride in their campus by letting the students out early on chosen Fridays if the campus had been kept clean. By this and other means, the administration has shown a decided interest in the new spirit of understanding at Brea-Olinda.

School Board Sets the Future

The School Board who served this Bicentennial year are Charles Bates, Norman DeLong, Clela Harder, Shirley Beach, John Baydes, Sid Israel, and Leo Piantoni. With the counsel and assistance of the district administrators, they guided the progress of our school. Win Smith, student representative to the board of education, brought new ideas from the student body to the members.

- 1 Win Smith states his ideas on the smoking bill
- 2 School board members are: Front Row: Charles Bates, Shirley Beach, John Baydes. Back Row: Sid Israel, Clela Harder, Leo Piantoni, and Norm DeLong
- 3 Paul Bole leads Brea's education program
- 4 Terry Zimmerman, James Stafford, and Donald Stone complete the administrative team

Many Work Behind the Scenes

Little credit is ever given to the people who work behind the scenes. These people are the cafeteria and maintenance staff. They have done an outstanding job in both of these areas. The students really appreciate all they have done for us this 1975-1976 school year.

- 1 Lyn Clark, Anne Mack, Martha Durbin, Nancy Kleher, and Evelyn Gresch are all part of the fine Cafeteria staff.
- 2 Bob Baker helps keep the football team running.
- 3 At the end of the day "Strict" Strickland, Frank Portillo, and Merle Abernathy all pitch in to get their jobs done.
- 4 After 3:00 PM, Gary M. ... away the equipment.
- 5 Mrs. Collier reaches into her money bag to get change for students.
- 6 Bill Jamerson, Pete Fichter and Harlen Caperton clean up after lunch.

As this year
draws to an end,
we comtemplate
the future...

...and
Reflect
Upon
the
Past.

The Spirit Lives!

It is appropriate that in this year of the Bicentennial we focus the theme of this yearbook on the spirit that surrounds us. Nothing of much worth has ever been accomplished without someone's supportive spirit. It is the secret element for enjoying life and realizing miracles. Without spirit, there would be no reason for life. We must share our dreams, our treasures, and our ideas with others. For if we do, they will multiply beyond our belief - because they have our spirit!

Find your cause, apply your spirit, and you will live your life to its fullest.

BREA WON OVER BY CON MAN

"He's a music man" "He's a what? He's a what?" "He's a music man..." And so the scene opens to this year's musical, "Music Man."

Under the direction of Marlin Tischbiersek, many departments worked together to put on a smashing opening performance. John Zoecker headed the sound department, which added to the many effects of the musical. The show was presented two weekends, May 8th and 9th, and May 14th and 15th. Starring Pat Colon as the con man Professor Harold Hill, and Debbie Smith as Marion Paroo, the cast lead the audience through a maze of dancing, laughter, romance, and...

Adding to both the enthusiasm of the audience and the cast, the finished product was a great success.

This year's musical, "Music Man," is a story of a con man who comes to a small town and convinces the townspeople to join in the "Wagon Wheel" dance. The story is told through a series of songs and dances. The musical was written by Meredith Willson and is based on the story of a con man who comes to a small town and convinces the townspeople to join in the "Wagon Wheel" dance. The musical was written by Meredith Willson and is based on the story of a con man who comes to a small town and convinces the townspeople to join in the "Wagon Wheel" dance.

JUNIOR-SENIOR PROM 1976: A MAGICAL EVENING

The Junior-Senior Prom was held at Busch Gardens this year. Besides all the music and dancing, there was an entertaining bird show. The grounds were open to anyone who wanted to take a stroll or just be alone. One of the most exciting moments was the crowning of the prom queen Carol Williams. Many couples will remember the prom, but especially the trip there. While getting directions to Busch Gardens, the wrong information was given out and many couples found themselves looking at a billboard that read, "Magic Mountain, next right." Anyway, everyone really enjoyed the prom and had a great time.

- 1 The sophomore host couple Shane Rose and Stevi Selvig, welcomes Debbie Fairis and Phil Bebeberg.
- 2 Cyndi Coulter and Randy Meehan stroll around the grounds.
- 3 After being crowned prom queen, Carol Williams and Ken Steele dance solo to "Strange Magic".
- 4 The 1976 Prom Court: Ken Ryan and Keith Jackson, Kelly Smith and Dave Navarro, Queen Carol Williams and Ken Steele, Michelle Trapasso and Ken Steele, Tracy Chappius and Dan Hanson.
- 5 Michelle and Joanne Menoid dance to the music of V.D.H.
- 6 The audience applauds the bird show.
- 7 Exotic birds perform strange feats.

Mothers and Daughters Enjoy Tropical Paradise

The annual mother-daughter social was once again a great success. The special entertainment included the theme of first-class hula and polynesian dancers who entertained everyone.

The main and excitement of the night was the next year's pageant. There were announced Miss Waimanalo crowned the evening by naming Mary Lynn Queen Girl of the Year.

Mary Lynn, Miss Waimanalo, and Mary Lynn, Queen Girl of the Year, standing together with other women in formal attire.

You've come a long ways baby was the theme for the 1976 dessert. Highlights of the evening included Saunie Meeder being awarded Athlete of the Year and Diane Pacheco being named next years G.A. president. It was a special treat to hear Ms. Ott and Debbie Smith sing and Ms. Carol Spanks, renowned professional softball player, talk about her career. Congratulations to the girls who received awards.

THE SPIRIT LIVES ON...

The 1975-76 graduation was quite a memorable event. There were speeches given by some subjects, two of which were Valedictorian and Salutatorian. Sharon Kaye Allred and Mary Beth Hopkins. The class of '76 received their diplomas, sang the Alma Mater (along with a few tears) and moved off to lead off a future all their own. They will never forget their time at Broad Onda and hope that Broad Onda will never forget them.

THE SENIOR ALL-NIGHT PARTY

This year's Senior All Night Party, as in years past, was held at La Mirada Bowl. Unlimited use of all facilities, which included bowling, ping pong, pool tables, pinball machines and dancing, was available to the seniors. Door prizes were given out through the night. The party was a success and will surely be a night to remember.
